

# KYMCO Grandvista 250

White

Red

The Grandvista is KYMCO's grand vision of how well appointed a scooter should be. The 249cc, SOHC liquid cooled engine delivers an excellent cruising speed and plenty of passing power while the CVT transmission provides stepless acceleration from a stand still all the way up to cruising speed. The 12" tires, adjustable rear shocks and telescopic front forks smooth out the bumps. A well-padded driver's seat and backrest, aerodynamic windscreen offering excellent protection from the elements all add up to a incredibly comfortable and safe ride.

All KYMCO motorcycles and scooters feature a two-year factory warranty.

C.A.R.B. Certified

<b>Engine Type</b>	4-stroke water-cooled, SOHC
